This example of some of the available coverages and limits is not a contract, binder, or recommendation of coverage. All coverages are subject to the terms and conditions contained in the policy and endorsements. Because the rate charged must be in compliance with the Company's rules and rates, rate quotes are subject to revision if different rates are effective at the time of policy issuance. This new business rate quote may be revised if any of the information used for rating is changed. If you have any questions, please contact my office.
